Provenance Collection

by

James Breski

The marriage of platinum, diamonds, and colored gems defines the heart of the Provenance Collection. The superlative qualities of platinum enrich the timeless styles that the Provenance Collection offers, and when blended with the finest diamonds, rubies, and sapphires, the result is a precious work of art frozen in time.

Provenance is a collection of contemporary heirlooms. The timeless styling and incomparable quality make Provenance a choice for the most discriminating of tastes. Provenance... Gemclad creations from the Ages... for the ages.
